

Vetsure Equine Health Plan Terms and Conditions of Membership

These Terms and Conditions alongside the information provided in the relevant leaflet provided by **Your Vet** ("the **Terms**") cover your use of the Equine Health Plan ("the **Plan**"). The Terms are between your veterinary practice as detailed in the new membership notification you receive on activation of your Plan ("**Your Vet**") and you, the animal owner ("**you**" "**your**").

Key points to note:

- These Terms and Conditions are important and we strongly advise that you read through them carefully and keep them in a safe place, so that you can refer to them in the future. If you have any questions about these Terms and Conditions, please contact Vetsure Equine Health Plan ("**Vetsure EHP**") EHP using the contact details at paragraph 14.
- In particular, please read the following paragraphs carefully: 2, 6, 7, 8 and 10.
- The Plan can only be used for the animal(s) named in the new membership notification you receive on activation of your Plan ("**Your Animal(s)**").
- By agreeing to pay by Direct Debit, you accept these Terms and Conditions, including that you will still need to pay the arranged Direct Debit even if you do not use any of the eligible services or products in that particular month.
- The Plan does not start and will not be effective until the date that your Direct Debit is set up by Vetsure EHP. Any services provided to you prior to this date are not included within the Plan.
- If you choose to cancel the Plan within 14 days from when your Direct Debit is set up, you will need to pay to Your Vet the full, non-discounted value of any products and services received under the Plan before cancellation.

1. *How does the Plan work?*

- You will pay a monthly amount, as set out in the new membership notification you receive on activation of your Plan, by direct debit to Your Vet and this direct debit will be collected from you and processed by Vetsure EHP on Your Vet's behalf. This amount will be used to pay for certain treatments and services provided by Your Vet.
- If Your Vet prescribes, and you choose to receive, one of these treatments or services, Your Vet will use the sums which you have paid by direct debit towards payment for the treatment and service.
- Please refer to the promotional leaflet available from Your Vet for more details on the treatments and services which you are eligible for under the Plan.

- The Plan is an ongoing monthly contract that is automatically renewed by Vetsure EHP on the monthly anniversary of the date that your Direct Debit is set up. Please see paragraph 9 for guidance on how to terminate the Plan.

2. *What is Vetsure EHP's role?*

- TVIS Ltd t/a Vetsure Equine Health Plan with company number 06820979 and registered address 2nd Floor Titan Court, 3 Bishop Square, Hatfield, Hertfordshire, AL10 9NA ("**Vetsure EHP**") provides administrative services to support your use of the Plan for and on behalf of Your Vet. This includes collecting and passing your Direct Debit payments onto Your Vet and providing to You a reference number for the Plan. Vetsure EHP will also answer any questions you may have about the administration of the Plan.
- Vetsure EHP is not responsible or liable for, and has no control over, the provision or quality of any treatment or veterinary services to Your Animal(s). The provision and quality of any treatment or veterinary service is entirely the responsibility of Your Vet. If you have any questions about the service or treatment provided by Your Vet, please contact Your Vet.
- Vetsure EHP also has no obligation to pay Your Vet's fees and will not be responsible if any amounts which you owe to Your Vet are not received by Your Vet.

3. *What services and products are Your Animals(s) entitled to?*

The monthly amount which you pay entitles Your Animal(s) to receive the specified routine preventative healthcare, services and products described in Your Vet's Equine Health Plan leaflet and / or Your Vet's website ("**Treatments**").

- Your Vet will provide their recommended preventative healthcare services, and prescribe their recommended products, to provide the Treatments included under the Plan and that Your Vet deems suitable for Your Animal(s). You can however ask for Your Animal(s) to receive a particular service or treatment that is different to the usual treatment or product prescribed by Your Vet, however you may need to pay for this service or product outside of the Plan.
- The Treatments will only fall under the Plan if they are prescribed by Your Vet after your Direct Debit has been set up.
- You and Your Vet can agree on additional healthcare services and treatments which are not included in Your Plan, but these will be subject to an additional charge which you will need to pay to Your Vet separately.

4. *If I have more than one animal, are all of my animals covered by the Plan?*

- The Plan entitles Your Animal(s) (i.e. the animal(s) named in the new membership notification you receive from Vetsure EHP on activation of your

Plan) to receive Treatments only. The Plan is personal to Your Animal(s) and is non-transferable between any other animal not listed in the new membership notification. If you have more animal than those listed in your new membership notification we have sent you, you will need to contact us to set up a plan for the additional animal(s)..

- Products prescribed by Your Vet must be used in accordance with Your Vet's instructions and must not be used on any animal other than Your Animal. If Your Animal is sensitive or allergic to the products prescribed under Your Plan, substitute products may be available, which may result in an additional charge. Please discuss Your Animal's clinical requirements with Your Vet.

5. *Can I use the Plan with any other vet or veterinary practice?*

- No, unfortunately not. The Plan is specific to the vet or veterinary practice set out in your Equine Health Plan Membership Application Form.
- If you choose for Your Animal(s) to receive any Treatments provided by any other vet or veterinary practice, these Treatments will not be covered by the Plan and you will need to pay for them in full. Similarly, if you choose to change vets, you cannot transfer the Plan to your new vet and you will need to cancel the Plan.

6. *What do I need to pay for the Plan?*

- To sign up to the Plan, you will need to pay (i) a single one-off set-up fee (as set out in the new membership notification you receive on activation of your Plan) and (ii) the monthly Direct Debit installments.
- The ongoing monthly payments are taken by Direct Debit and administered by Vetsure EHP for and on behalf of Your Vet. The one-off set-up fee will be taken at the same time that you pay your first Direct Debit installment for the Plan.
- Your first Direct Debit will be taken at, or around, 14 days after starting the Plan and thereafter on a monthly basis. If you would like to change the day of payment you may do so by contacting Vetsure EHP by telephone (0800 050 2022) or by email (healthplans@vetsure.com). You will not be charged to change your due date for collection.
- You will receive a new membership notification from Vetsure EHP to confirm that the Direct Debit has been set up and the date set for your monthly payments. If you change your date of payment, you will receive a notification confirming your new date of payment.
- You will still need to pay the arranged Direct Debit amount even if you do not use any of the eligible Treatments in that particular month.
- You must pay the Direct Debit payments until the Plan is terminated in accordance with paragraphs 7, 9 or 10.

- Vetsure EHP will not refund any fees paid or payable by you except for administrative error (in our reasonable opinion).
- If Your Animal passes away, Vetsure EHP will not deduct any further Direct Debits from you once you have notified Vetsure EHP that Your Animal has passed away.

7. *What happens if I fail to pay the Direct Debit?*

- If you do not pay your Direct Debit installments Vetsure EHP reserve the right to terminate Your Plan on behalf of Your Vet in accordance with paragraphs 7 and 10.
- Vetsure EHP will attempt to collect your Direct Debit installments on the agreed date. If the first attempt at collecting an installment is not successful for any reason, Vetsure EHP will inform you and will attempt to collect the payment from you via Debit or Credit card within 7 days.
- If we are unable to collect your monthly payment within 7 days we will cancel the Plan and your Direct Debit payment plan on behalf of Your Vet.

8. *Will the monthly Direct Debit amount change?*

- Vetsure EHP may change your monthly Direct Debit amount by giving you at least one month's notice in writing.

9. *How can I terminate the Plan?*

- If, after initially taking out the Plan, you change your mind and wish to cancel the Plan, you have 14 days from the date that your Direct Debit is set up in which to do so. You will need to pay to Your Vet the full, non-discounted value of any Treatments received prior to the date of cancellation of the Plan.
- You can terminate the Plan at any time after the first Direct Debit payment is taken by providing Vetsure EHP with one month's notice. If you wish to cancel the Plan, you should contact Vetsure EHP by telephone (0800 050 2022) or by email (healthplans@vetsure.com).

10. *Can Vetsure EHP terminate the Plan?*

- If you fail to keep up with the monthly payments under the Plan, Vetsure EHP will terminate the Plan, on behalf of Your Vet, in accordance with paragraph 7.
- Vetsure EHP and Your Vet reserve the right to terminate the Plan by giving you one month's written notice for any reason that we consider reasonable and necessary (for example, if Your Vet finds that the Plan becomes financially unviable).

- Vetsure EHP may (on Your Vet's behalf) suspend the Plan if you owe any amounts to Your Vet for any treatments or medications which are outside of the Plan and which are more than 7 days' overdue. The Plan will be reactivated once you pay this outstanding amount in full.

11. *If the Plan is cancelled, do I need to do anything else?*

- You must collect all products prescribed under Your Plan within 3 months of the end of the Plan. If you fail to collect any prescribed products in this time, you will not be entitled to collect any prescribed products afterwards.

12. *Are there any other terms that I need to be aware of?*

- You must be over 18 years of age to agree to the Terms and sign up to the Plan.
- The Plan is personal to you and Your Animal(s). This means that you cannot transfer the Plan to other animals or another person.

If you are unhappy with Vetsure EHP's reason, you can follow the Complaints Procedure in accordance with paragraph 14.
- These Terms are subject to English law and the English courts.
- Your Vet can vary the prices being charged under the Plan by giving you one month's written notice. If, after receiving this notice, you no longer wish to continue with the Plan, you can cancel the Plan by following paragraph 9.
